Sierra Club Marin Group's Political Endorsements

The Sierra Club Marin Group announced yesterday that it had selected only six candidates to endorse in the upcoming November 2009 election. The Club solicited responses to its questionnaires from all 26 candidates in 5 selected council races and interviewed all 16 candidates responding. "The Sierra Club Marin Group endorses only those who we believe will be active environmental leaders in their communities even though most candidates do care about the environment," said Club Political Committee Chair Margot Biehle. The Sierra Club's endorsed candidates are:
