Marin County Open Space District  
3501 Civic Center Drive Room 415  
San Rafael, CA 94903

Dear Open Space District:

The Sierra Club, representing its 7,000 Marin County members, has reviewed the Marin County Open Space District's Policy Review Initiative and endorses its commitment that the Mission of the Open Space District remain unchanged: *"to enhance the quality of life in Main through the acquisition, protection and responsible stewardship of ridgeland, baylands, and environmentally sensitive lands targeted for preservation in the Marin Countywide Plan."* The Sierra Club worked extensively with Marin Conservation League to review the Initiative and we fully support their detailed comments regarding the Policy Review Initiative.

Sincerely,

Gordon Bennett  
Conservation Co-Chair
